

Mr. Foster,

On behalf of Boy Scout troop 3610 in Kingwood Texas, I want to express our gratitude for your contribution to our annual fundraiser and live auction. You did an excellent job helping us raise funds to support our organization. Your ability to raise funds and connect with the audience is outstanding. We are thrilled with the amount of money you helped us raise but even more thrilled in how you helped our boys. Although we had other activities at our event, your auction was by far the most exciting. You took the time to meet and sit with each of the cake bake winners as we auctioned off the cakes. You definitely made each of our winners feel very special about their creations. The scouts agreed their favorite part of the evening was sitting with you as you described their winning cake.

This is the third auction of yours I have been a part of and I highly recommend your services to any organization interested in a professional auctioneer. You are smart, articulate, and have an amazing ability to engage with an audience. Thanks for all the time and care you took with our auction!

Sincerely,
Fred Mathews
